

NON-SPARKING PIPE CUTTER

The EGA Master spark-proof pipe cutter is ideal for cutting pipes in potentially explosive environments, such as petrochemicals, refineries, oil industries, etc.

1. Allows the quick cut.

2. The handle has been designed to provide a quick and easy grip.

3. With a hardness of 311–408 Brinell (Cu-Be) and 241–311 Brinell (Al-Bron) and a tensile strength of 1250 N/mm² (Cu-Be) and 800N/mm².

COD.	MAT.	COD.	MAT.	L (mm)	CAP. (inch)	H (mm)	Kg
70134	Cu-Be	71471	Al-Bron	380	2	60	2,4

COD.	MAT.	COD.	MAT.	L (mm)	CAP. (inch)	H (mm)	Kg
74327	Cu-Be	74330	Al-Bron	740	4-6	280	12,3
74340		74343		860	8-12	465	21

Cu-Be Beryllium copper
Al-Bron Aluminium bronze
