LED ILLUMINATED MAGNIFIER WITH DIMMER - ENVL SERIES

Features

ENVL Series is the LED illuminated magnifier as succession series of dimmable ENV Series that was equipped with electronic ballast. ENVL is competitively priced and suitable alternative to the ENV Series., and the electric power consumption is reduced to about 55%. the cost for 40,000 hours of operation is reduced to 1/3, and it is an Eco-friendly product suitable for growing calls of power shortage.*
* We do not supply ENVL-CL with transmission illumination.

ORDER NO.	ENVL-B (Table Stand Type Illuminated Magnifier)	
Weight	1.9kg (Without lens and AC adapter/body weight)	
Input voltage range	100 240V : 50/60 Hz : Plug Type A *Change or purchase an additional AC cord to use at 125-240V. Please contact your sales dealer for details.	
Power Consumption	10W	
Magnifier Lens Magnification Lineup	2x, 3x, 4x, 6x, 8x, 10x, 12x, 15x	
AR (anti-reflection) Coated Lens Lineup	Available / 2x, 3x, 4x, 6x, 8x, 10x	

ORDER NO.	ENVL-CL (lightbox-type illuminated magnifier)	
Weight	3.2 (without lens / body weight)	
Input voltage range	100 240V : 50/60 Hz : Plug Type A * It is possible to use up to 125 240V by changing the cord with attached AC plug. For more information, please contact your dealer.	
Power Consumption	18W	
Magnifier Lens Magnification Lineup	2x, 3x, 4x, 6x, 8x, 10x, 12x, 15x	
AR (anti-reflection) Coated Lens Lineup	Available / 2x, 3x, 4x, 6x, 8x, 10x	

ORDER NO.	ENVL-F (Free-arm illuminated magnifier)	
Weight	3.1kg (Excluding lens)	
Input voltage range	100 240V : 50/60 Hz : Plug Type A * Change or purchase an additional AC cord to use at 125-240V. Please contact your sales dealer for details.	
Power Consumption	10W	
Magnifier Lens Magnification Lineup	2x, 3x, 4x, 6x, 8x, 10x, 12x, 15x	
AR (anti-reflection) Coated Lens Lineup	Available / 2x, 3x, 4x, 6x, 8x, 10x	

ORDER NO.	ENVL-CF (Compact free-arm illuminated magnifier)	
Weight	1.8kg (Without lens and AC adapter/body weight)	
Input voltage range	100 240V : 50/60 Hz : Plug Type A * Change or purchase an additional AC cord to use at 125-240V. Please contact your sales dealer for details.	
Power Consumption	10W	
Magnifier Lens Magnification Lineup	2x, 3x, 4x, 6x, 8x, 10x, 12x, 15x	
AR (anti-reflection) Coated Lens Lineup	Available / 2x, 3x, 4x, 6x, 8x, 10x	

ORDER NO.	ENVL-FD (Fixed-type desk holder)	
Weight	1.9kg (Without lens and AC adapter/body weight)	
Input voltage range	100 240V : 50/60 Hz : Plug Type A * Change or purchase an additional AC cord to use at 125-240V. Please contact your sales dealer for details..	
Power Consumption	10W	
Magnifier Lens Magnification Lineup	2x, 3x, 4x, 6x, 8x, 10x, 12x, 15x	
AR (anti-reflection) Coated Lens Lineup	Available / 2x, 3x, 4x, 6x, 8x, 10x
