Deposition
Tools

File

This is made more thinly and thinner

Order No. 4001 Ultra-thin common		
Order No. 4005 Superthin circle		
Order No. 4009 Ulthathin circle		

When it is got loading

- Please wash well with a toothbrush.
- Especially when a clog is remarkable, please carry out a dressing by soft GC whetstone etc.

Cautions : If a dressing is carried out more than needed, it will cause omission of a diamond on the contrary.
