

ตะไบเพชร

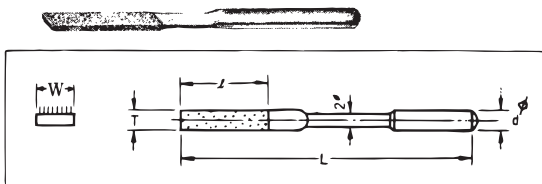

## Diamond & CBN File for machine

Although a special file has many kinds, I manufacture the size W, T, T, I, L, t as ordered.  
In addition, since I manufacture not only Common type but the triangular whole surface and quadrangular whole surface etc., please contact me.  
Since the spear for machines has both sides and one side, please point to either in the case of an order

## THE FILE FOR DIPROFIT MACHINES

- size :  $l = 15\text{mm}$  → Full length 50mm
- size :  $l = 25\text{mm}$  → Full length 60mm
- size : 3mmd  $\varnothing$

- ※In a common case, please point to both sides or one side or only Cobra.
- ※In the case of a triangle and a square, please point to whether they are the whole surface or the whole surface.
- ※Since I also manufacture a special size, please place an order according to a use.
